

## Down The ShoreHD

Frank Parmer drove down the Keys from Miami and opened a fishing camp on Little Torch Key. Parmer's Place grew over the years and when Frank wanted to retire, Jay Marzella stepped in to fill his shoes. Jay was welcomed to the Keys with Hurricane George but cleaned up, built up and expanded Parmer's Resort to the fourteen buildings scattered over five acres that it is today. In 2017, Jay and his lovely bride Sandy retired and sold Parmer's Resort to the Mullers.
