

One Piece (Dub) Episode 333 EXCLUSIVE

The **Ice Hunter Arc**, sometimes referred to as the **Lovely Land Arc**, is the eighth filler arc in the *One Piece* anime. It ran from episodes 326-335. It chronicles the journey of the Straw Hat Pirates from Water 7, into the Florian Triangle, coming close to a winter island. The following episodes were aired uncut in the United States on [adult swim]'s Toonami. On March 18, 2017, Toonami stopped broadcasting the show on its network. However, on January 19, 2022, it was announced that the anime would return to Toonami starting with Episodes 517 and 518.[1] *One Piece* is an anime series adapted from the manga of the same title written by Eiichiro Oda. Produced by Toei Animation, and directed by Konosuke Uda, Munehisa Sakai, and Hiroaki Miyamoto, the ninth through the fourteenth seasons were broadcast on Fuji Television from May 21, 2006 to September 25, 2011. *One Piece* follows the adventures of Monkey D. Luffy, a 17-year-old boy, whose body has gained the properties of rubber from accidentally eating a supernatural fruit, and his crew of diverse pirates, named the Straw Hat Pirates. Luffy's greatest ambition is to obtain the world's ultimate treasure, One Piece, and thereby become the next King of the Pirates.[1] The series uses 42 different pieces of theme music: 24 opening themes and 18 closing themes. Several CDs that contain the theme music and other tracks have been released by Toei Animation. The first DVD compilation was released on February 21, 2001,[2] with individual volumes releasing monthly. The Singaporean company Odex released part of the series locally in English and Japanese in the form of dual audio Video CDs.[3] The first unedited, bilingual DVD box set, containing 13 episodes, was released on May 27, 2008.[4] Similarly sized sets followed with 31 sets released as of July 2015.[5][6] Episodes began streaming on August 29, 2009.[7] Funimation's uncut dub later resumed airing on Adult Swim's revived Toonami programming block from episode 207 onwards from May 2013 until it was removed from the schedule in March 2017 after episode 384.[8] Toonami would eventually bring the series back in January 2022, starting on episode 517.[9] Just10 hits us with an epic 2 piece and a biscuit! Fresh off his Confession release, Just10 once again delivers with an epic 3 track banger of an ep ready to do your speakers in and take you on a vibe! Included is a remix from Breaks heavyweight Famburglar.
