How to Activate TruRACS in theHunter: Call of the Wild

If you are a fan of hunting simulation games, you might have heard of theHunter: Call of the Wild, a realistic and immersive game that lets you explore vast open worlds and hunt a variety of animals. But did you know that you can also enjoy a new feature called TruRACS, which stands for True Random Antler Configuration System? TruRACS is a system that randomizes the antlers and horns of the animals you encounter, making them more diverse and unique. You can also use TruScore, a more accurate way of measuring the trophy rating of your harvest, based on criteria such as length, circumference, number and symmetry of tines. TruRACS adds more challenge and excitement to your hunting experience, as you never know what kind of animal you will find. To activate TruRACS in theHunter: Call of the Wild, you need to download it as a free downloadable content (DLC) from Steam^[1]. You also need to have the base game installed on your PC. Once you have downloaded TruRACS, you can launch the game and start hunting. You will notice that some animals have different antlers or horns than before, and that you can see more details about their score when you harvest them. Currently, TruRACS is available for four species: Blacktail Deer, Whitetail Deer, Roosevelt Elk and Caribou^[1]. The developers plan to add more species in the future through free updates^[1]. You can also watch a video tutorial on YouTube^[2] or read more about TruRACS on the game's wiki^[3]. TruRACS is a great way to enhance your hunting adventure in theHunter: Call of the Wild. Try it out today and see if you can find some rare and impressive trophies!But TruRACS is not the only reason to play theHunter: Call of the Wild. The game also offers a stunning and realistic depiction of nature, with different biomes, weather effects, day and night cycles, and animal behaviors. You can explore 13 vast reserves, each with its own unique flora and fauna, and hunt over 40 different species of animals, from deer and bears to lions and elephants. You can also customize your character, weapons, equipment, and skills to suit your preferred hunting style. The game also features a multiplayer mode, where you can join up to 7 other hunters and cooperate or compete in various challenges and events. You can also create your own hunting club and invite your friends to join. Alternatively, you can play solo and enjoy the tranquility and beauty of nature at your own pace. The game has a dynamic mission system that gives you various objectives and rewards as you progress. You can also unlock trophies and achievements for your hunting feats. The Hunter: Call of the Wild is a game that appeals to both hardcore and casual hunters, as well as nature lovers. It has a high level of realism and immersion, but also a lot of accessibility and fun. Whether you want to hunt for sport, for trophies, or for relaxation, you will find something to enjoy in this game.
