Sarkar Movie Review: What Critics Say

Sarkar has received mixed reviews from critics, who have praised Vijay's performance and the film's message, but have also criticized the weak villains, the length and the lack of depth. Here are some of the excerpts from the critics' reviews:

"Sarkar is a film that has its moments, but gets undone by its overlong runtime and lack of focus. Vijay is in top form in a smart film that has a good message but lacks strong antagonists." - Sanjith Sidhardhan, The Times of India

"Sarkar would have been better off had it been a little more creative and not just a political pamphlet. It reels off laws and the electoral processes just to support Vijay's decision to stay back in Chennai and clean the system." - Srinivasa Ramanujam, The Hindu

"Sarkar is not a great film, but it is a great vehicle for the mass hero in Vijay. The claps and cheers are not for the film, but for the mass hero delivering whistle-worthy dialogues. The rest is just smart promotion." - Priyanka Sundar, Hindustan Times

Overall, Sarkar is a film that appeals to Vijay fans and those who are interested in politics and social

issues. It has some powerful scenes and dialogues that make a strong statement about the importance of voting and democracy. However, it also suffers from a lack of originality, depth and balance that could have made it a more engaging and satisfying watch.
