# How to Get Pretty Good Solitaire 1200 Keygen and Enjoy Over 1000 Solitaire Games

If you are a fan of solitaire card games, you might have heard of Pretty Good Solitaire, a collection of over 1000 different solitaire games for Windows. Pretty Good Solitaire features lush graphics, large easy-to-read cards, sound, in-depth statistics, and daily solitaire quests, a new way to play solitaire for points[^2^]. But what if you want to play Pretty Good Solitaire without paying for it? You might be tempted to look for a keygen, a program that generates a serial number or activation code for a software. However, this is not a good idea, as keygens are often illegal, unsafe, and unreliable. You might end up with a virus, malware, or spyware on your computer, or get into trouble with the law. Fortunately, there is a better way to enjoy Pretty Good Solitaire for free. You can download the trial version from the official website[^2^] and play 30 different solitaire games for 30 days. If you like it, you can buy the full version for only \$24.95 and get access to over 1000 solitaire games, plus free updates for life. You will also get a bonus of 101 original card sets that you can use to customize your game. Pretty Good Solitaire is a game that will keep you entertained for hours. You can play classic solitaire games like Klondike, FreeCell, and Spider, or try new and original games like Demons and Thieves, Aces and Kings, and Double FreeCell. You can also challenge yourself with daily solitaire quests and earn trophies and rewards. So don't waste your time and risk your security with keygens. Download Pretty Good Solitaire today and enjoy the best solitaire game collection ever. Pretty Good Solitaire is not just a game, but a hobby. You can create your own solitaire games with the Solitaire Wizard, or modify existing games with the Game Editor. You can also submit your scores to the online high score tables and see how you rank against other players from around the world. Pretty Good Solitaire is also a great way to relax and have fun. You can choose from different card sizes, backgrounds, and card backs to suit your mood and preference. You can also play in full screen mode or windowed mode, and adjust the animation speed and sound effects. You can even change the rules of some games to make them easier or harder. Pretty Good Solitaire is the ultimate solitaire game collection for Windows. It has something for everyone, whether you are a beginner or an expert, a casual player or a solitaire fanatic. You will never get bored with Pretty Good Solitaire, as there are always new games to discover and new challenges to overcome.
