Choose your hero wisely

Each hero in Combat Quest has their own strengths and weaknesses, so you need to choose the one that suits your playstyle and preference. For example, if you like to deal high damage from a distance, you might want to choose the

archer or the mage. If you prefer to fight in close range and tank damage, you might want to choose the warrior or the rogue. You can also switch between different heroes depending on the situation and the enemy type.

Upgrade your skills and equipment

As you progress in the game, you will face stronger enemies and bosses that require more power and strategy. That's why you need to upgrade your skills and equipment regularly. You can use the gold, gems, and items you collect to enhance your skills and equipment or buy new ones from the shop. You can also use the modded features to get unlimited resources and unlock all the skills and equipment in the game for free.

Use the environment to your advantage

The game features a dynamic environment that you can use to your advantage. You can hide behind obstacles, use traps, or interact with objects to create diversions or deal damage to your enemies. You can also use the dodge button to evade enemy attacks or obstacles. Be aware of your surroundings and use them wisely.

Complete quests and achievements

The game offers a lot of quests and achievements that reward you with gold, gems, items, and chests. You can access them from the menu or from the NPCs in the game. Some of them are easy to complete, while others require more time and effort. Try to complete as many quests and achievements as possible to get more resources and rewards.
