# Final Nights 4 APK: A Horror Game Based on FNaF Lore

If you are a fan of horror games and the Five Nights at Freddy's (FNaF) franchise, you might want to check out Final Nights 4 APK, a fan-made game that explores the origin story of the animatronics and the mystery behind their existence. In this article, we will tell you everything you need to know about Final Nights 4 APK, including what it is, how to download and install it, and why you should play it.

## What is Final Nights 4?

Final Nights 4 is an indie horror game developed by JeliLiam and ported to Android by BlueBunnyGaming. It is the fourth and final installment in the Final Nights series, which is inspired by the FNaF lore and offers a different perspective on the events that led to the creation of the animatronics and their haunted nature.

## The story of Final Nights 4

The game has two main modes: Story Mode and Free Roam Mode. In Story Mode, you can play as two different characters in two different time periods: Henry Stillwater in 1973 and Max Donovan in 2017.

Henry Stillwater is the founder of Fredbear's Family Diner, a restaurant that features animatronic mascots that entertain children. He works with Afton Robotics, a company owned by William Afton, who is also known as the Purple Guy and the main antagonist of the FNaF series. One night, Henry has to take over the night shift as the security guard, as his previous employee quit without any explanation. He soon discovers that Afton has been doing some sinister experiments with the animatronics, turning them into killing machines that can lure and capture children.

Max Donovan is a paranormal investigator who receives an anonymous tip about the disappearance of Henry Stillwater. He decides to visit the abandoned Fredbear's location to find out the truth, but he encounters something restless and vengeful that wants to show him what really happened in 1973 and to save the souls trapped inside the animatronics.

## **The gameplay of Final Nights 4**

The gameplay of Final Nights 4 is a mix of point-and-click puzzle solving, classic FNaF gameplay, and SL-style mini nights. Depending on the mode and the character you choose, you will have different objectives and challenges to complete.

As Henry Stillwater, you will have to survive five nights at Fredbear's by using cameras, doors, lights, and vents to monitor and fend off the animatronics that will try to kill you. You will also have to solve some puzzles and find clues to uncover Afton's secrets.

As Max Donovan, you will have to explore the abandoned Fredbear's location in a free-roam mode, where you can interact with various objects and environments. You will also have to face some mini nights, where you will be trapped in different rooms with different animatronics that will attack you from different directions. You will have to use your flashlight, audio cues, and quick reflexes to survive.

## **The features of Final Nights 4**

Final Nights 4 has many features that make it a unique and enjoyable horror game, such as:
