What is Fishing Rivals 3D?

Fishing Rivals 3D is an addictive and challenging fishing game where you will feel like you are on an actual fishing trip. You can play this amazing fishing game on your Android device and feel like a real angler in the realistic 3D world. You can compete with others in live events, earn rewards, upgrade your rods and master your fishing skills in the quest to be the Fishing King.

A realistic and addictive fishing game

Fishing Rivals 3D has realistic 3D physics for a perfect fishing simulation. You can choose from dozens of realistic, beautifully animated fishing locations, such as lakes, rivers, oceans, and ponds. You can also catch hundreds of exotic fish native to different fishing spots, such as bass, trout, salmon, tuna, shark, and more. You can also unlock new equipment and fishing tackles to improve your fishing performance.

A competitive and challenging fishing game

Fishing Rivals 3D has a revolutionary fishing system that is easy to learn but difficult to master. You have to use your skills and strategy to catch the biggest fish in the shortest time possible. You can also enjoy 1v1 real-time duels with other players from around the world, join PvP fishing tournaments, and climb the leaderboards. You can also challenge yourself with various quests and achievements.
