# Free Download Royal Match: The King of Puzzle Games

If you are looking for a fun, challenging, and rewarding puzzle game, you should try Royal Match. This game is not only a match-3 game, but also a castle decoration game. You can help King Robert restore his royal castle to its former glory by solving puzzles, earning coins, and choosing the best decorations. In this article, we will tell you more about Royal Match, how to download it for free, and why you should play it.

## What is Royal Match?

Royal Match is a free-to-play game developed by Dream Games, a Turkish mobile gaming company. It was launched in 2020 and has become one of the most popular puzzle games on the Google Play Store. It has over 50 million downloads and 4.6 stars rating from more than 2.7 million reviews. It is also an Editors' Choice game, which means it is one of the best games on the market.

But what makes Royal Match so special? Well, it is not just a typical match-3 game. It is also a castle decoration game. Let's take a closer look at these two aspects of the game.

### A fun and challenging match-3 game

In Royal Match, you have to swipe colors and match at least three of them to clear them from the board. You have to complete different goals in each level, such as collecting a certain number of items, breaking obstacles, or saving the king from danger. You have a limited number of moves to achieve these goals, so you have to think strategically and use boosters wisely.

The game has thousands of levels for you to play, each with different layouts, challenges, and surprises. You will never get bored or run out of puzzles to solve. The game also updates regularly with new episodes, levels, and features.

### A colorful and creative castle decoration game

Another aspect of Royal Match is that you can decorate King Robert's castle with your own style. As you complete levels, you will earn coins that you can use to unlock new areas and items. You can choose from different themes, colors, and designs for each room, garden, garage, and other parts of the castle. You can also see how your friends have decorated their castles and get inspired by them.

Decorating the castle is not only fun, but also rewarding. You will see how the castle transforms from a dull and dusty place to a bright and beautiful one. You will also learn more about the characters and their stories as you progress through the game.

### A rewarding and engaging game with many features

Royal Match is not only a fun and challenging game, but also a rewarding and engaging one. It has many features that make it more enjoyable and exciting for players. Some of these features are:

- **Bonus levels:** These are special levels that give you extra coins, boosters, treasures, or surprises. You can find them in different places in the game, such as chests, mailboxes, safes, or piggy banks.
- **Events:** These are limited-time activities that offer you different challenges and rewards. Some

examples are King's Cup, Sky Race, Team Battle, Lightning Rush, etc. You can compete with millions of players around the world and claim amazing prizes.

- **Teams:** These are groups of players that you can join or create in the game. You can chat with your teammates, send and receive lives, help each other with levels, or participate in team events.
- **Tournaments:** These are competitions that rank players based on their performance in the game. You can join different tournaments based on your level and skill. You can win trophies, coins, boosters, and other rewards.
- **Leaderboards:** These are rankings that show how you compare with other players in different aspects of the game, such as levels completed, coins earned, stars collected, etc. You can see your global, country, or team rank and try to improve it.
- **Achievements:** These are milestones that you can reach by playing the game and completing certain tasks. You can earn stars, coins, boosters, and badges for each achievement.

As you can see, Royal Match has a lot to offer to its players. It is not just a game, but a whole world of fun and adventure.

## **How to download Royal Match for free?**

Now that you know more about Royal Match, you might be wondering how to download it for free. Well, there are several ways to do that. Here are some of them:

### **Download from Google Play Store**

The easiest and most common way to download Royal Match is from the Google Play Store. This is the official app store for Android devices. You can access it from your phone or tablet and search for Royal Match. You will see the game icon with a blue crown and a red background. Tap on it and then tap on Install. The game will start downloading and installing on your device. You will need about 200 MB of free space and an internet connection to download the game.

### **Download from Dream Games website**

Another way to download Royal Match is from the Dream Games website. This is the official website of the game developer. You can access it from any browser and click on the Royal Match banner. You will be redirected to a page with more information about the game and a button that says Download Now. Click on it and you will be taken to the Google Play Store page of the game. From there, you can follow the same steps as above to install the game.

### **Download from now.gg online platform**

A third way to download Royal Match is from the now.gg online platform. This is a cloud gaming service that allows you to play games without downloading or installing them on your device. You can access it from any browser and sign up for a free account. Then, you can search for Royal Match and click on Play Now. The game will start streaming on your browser and you can play it as if it was installed on your device. You will need a stable internet connection and a compatible device to use this service.

## **Why should you play Royal Match?**

By now, you might be convinced that Royal Match is a great game to play. But if you still need some reasons to try it out, here are some of them:

## **It is 100% ad-free and no wifi needed**

One of the best things about Royal Match is that it is 100% ad-free. That means you will not see any annoying ads popping up on your screen while you play. You can enjoy the game without any interruptions or distractions. Moreover, you do not need wifi or internet connection to play the game. You can play it offline anytime and anywhere. You only need internet connection to update the game or access some online features.

## **It has thousands of levels and areas to explore**

Another reason to play Royal Match is that it has thousands of levels and areas to explore. You will never run out of puzzles to solve or places to decorate. The game has over 5000 levels and over 100 areas for you to discover. Each level has different goals, challenges, and surprises. Each area has different themes, styles, and stories. You will always find something new and exciting in the game.

## **It has exciting events and tournaments to compete in**

A third reason to play Royal Match is that it has exciting events and tournaments to compete in. You can join different activities that offer you different challenges and rewards. You can compete with millions of players around the world and show your skills and strategy. You can win trophies, coins, boosters, and other prizes. You can also join teams and chat with other players who share your passion for the game.

## **It has a friendly and helpful community of players**

A fourth reason to play Royal Match is that it has a friendly and helpful community of players. You can connect with other players who love the game as much as you do. You can send and receive lives, help each other with levels, or share tips and tricks. You can also follow the official Facebook page or Instagram account of the game and get the latest news, updates, and giveaways. You can also join the official Discord server or Reddit community and interact with other players and the game developers. You will always find someone who can help you or cheer you up in the game.

## **Conclusion**

Royal Match is a game that combines the best of match-3 and castle decoration genres. It is a game that offers you fun, challenge, reward, and engagement. It is a game that you can download for free and play without ads or wifi. It is a game that has thousands of levels and areas to explore, exciting events and tournaments to compete in, and a friendly and helpful community of players to connect with. It is a game that you should not miss.

So what are you waiting for? Download Royal Match today and join King Robert on his quest to restore his castle. You will have a blast playing this game and you will not regret it.
