Are you a fan of Hill Climb Racing 2, the popular physics-based racing game from Fingersoft? Do you want to enjoy the game without spending real money on gems and coins? If yes, then you are in luck. In this article, we will show you how to hack Hill Climb Racing 2 on iOS and get unlimited gems and coins for free. You will also learn some tips and tricks to improve your driving skills and win every race.

Introduction

What is Hill Climb Racing 2?

Hill Climb Racing 2 is a 2D online multiplayer racing game with dozens of tracks, vehicles, and character customization options at your fingertips. You can race uphill in over 20+ different vehicles, from cars, trucks, bikes, to even a tank. You can unlock and upgrade new vehicle parts, customize your character and vehicle's looks, team up with your friends online and race in teams mode, perform cool stunt tricks, and participate in weekly events that change up the gameplay in new exciting ways. Hill Climb Racing 2 is a fun and addictive game that will keep you entertained for hours.

Why do you need gems and coins?

Gems and coins are the two main currencies in Hill Climb Racing 2. You need them to unlock new vehicles, upgrade your vehicle parts, buy new skins, outfits, hats, and accessories for your character, and access premium features such as VIP subscription, chests, tickets, boosts, etc. Gems and coins can be earned by playing the game, winning races, completing achievements, watching ads, or opening chests. However, these methods are slow and limited. If you want to get more gems and coins faster and easier, you will have to spend real money on in-app purchases. This can be expensive and frustrating for many players who just want to enjoy the game without breaking the bank.

How to hack Hill Climb Racing 2 on iOS?

Fortunately, there is a way to hack Hill Climb Racing 2 on iOS and get unlimited gems and coins for free. Tips and Tricks for Hill Climb Racing 2

How to master the jumps and landings

One of the most important skills in Hill Climb Racing 2 is how to master the jumps and landings. Jumps can help you gain speed, avoid obstacles, and perform tricks, but they can also cause you to crash or lose control if done incorrectly. Here are some tips on how to jump and land like a pro:

- Use the gas pedal and brake pedal wisely. The gas pedal will make you go faster and jump higher, but it will also make you tilt forward in mid-air. The brake pedal will make you go slower and jump lower, but it will also make you tilt backward in mid-air. You need to balance these two pedals depending on the situation.
- Use the air control buttons to adjust your angle in mid-air. The air control buttons are located on the bottom left corner of the screen. They will make you rotate clockwise or counter-clockwise in mid-air. You need to use them to align yourself with the ground before landing.
- Land on your wheels and not on your head or back. Landing on your wheels will give you a smooth and stable landing, while landing on your head or back will cause you to bounce, flip, or crash. You can also use the gas pedal or brake pedal to adjust your speed and balance before landing.
- Land on a flat or downhill surface and not on an uphill surface. Landing on a flat or downhill surface will help you maintain your momentum and speed, while landing on an uphill surface will slow you down and make you lose control. You can also use the air control buttons to change your direction and angle before landing.

How to upgrade and customize your vehicles

Another important skill in Hill Climb Racing 2 is how to upgrade and customize your vehicles. Upgrading your vehicle parts will improve your performance and stats, such as speed, acceleration, handling, grip, suspension, etc. Customizing your vehicle's looks will make it more unique and stylish, as well as give you some bonuses and perks. Here are some tips on how to upgrade and customize your vehicles:

- Use gems and coins to buy new vehicles and parts. You can earn gems and coins by playing the game, winning races, completing achievements, watching ads, opening chests, or using the hack tool. You can also use gems to unlock legendary chests that contain rare and exclusive parts.
- Use the garage to upgrade and customize your vehicles. You can access the garage by tapping on the wrench icon on the top right corner of the screen. You can upgrade your vehicle parts by tapping on the plus icon next to each part. You can customize your vehicle's looks by tapping on the paint icon next to each part. You can also change your vehicle's name by tapping on the pencil icon next to it.
- Use the tuning menu to adjust your vehicle's settings. You can access the tuning menu by tapping on the gear icon on the top right corner of the screen. You can adjust your vehicle's settings by sliding the bars left or right. You can also reset your settings to default by tapping on the reset button.

How to race with your friends and join a team

Hill Climb Racing 2 is more fun when you race with your friends and join a team. Racing with your friends will allow you to challenge them, chat with them, and see their progress and stats. Joining a team will allow you to cooperate with other players, share resources, participate in team events, and earn team chests. Here are some tips on how to race with your friends and join a team:

- Use the friends menu to add and invite your friends. You can access the friends menu by tapping on the friends icon on the bottom left corner of the screen. You can add your friends by tapping on the add friend button and entering their username or email address. You can invite your friends by tapping on the invite friend button and choosing a platform to send them an invitation link.
- Use the team menu to create or join a team. You can access the team menu by tapping on the team icon on the bottom left corner of the screen. You can create a team by tapping on the create team button and entering a team name, description, logo, color, language, region, etc. You can join a team by tapping on the join team button and browsing or searching for a team that suits you.
- Use the chat menu to communicate with your friends and teammates. You can access the chat menu by tapping on the chat icon on the bottom left corner of the screen. You can communicate with your friends and teammates by typing messages in the chat box or using emojis and stickers.

How to participate in weekly events and earn rewards

How to master the jumps and landings

The last skill we will cover in this article is how to participate in weekly events and earn rewards. Weekly events are special game modes that change every week and offer different challenges and prizes. They are a great way to test your skills, have fun, and win amazing rewards. Here are some tips on how to participate in weekly events and earn rewards:

- Use the events menu to see what events are available. You can access the events menu by tapping on the events icon on the top left corner of the screen. You can see what events are available, how long they last, what are their rules, what are their rewards, etc.
- Use gems or tickets to enter an event. You can earn gems or tickets by playing the game, winning races, completing achievements, watching ads, opening chests, or using the hack tool. You can also use gems to buy more tickets if you run out of them.
- Use your skills and strategy to win the event. You can use your skills and strategy to win the event by choosing the best vehicle and parts for the event, driving carefully and skillfully, avoiding crashes and obstacles, performing tricks and stunts, etc.
- Use the leaderboard to see your rank and score. You can access the leaderboard by tapping on the leaderboard icon on the top right corner of the screen. You can see your rank and score, as well as the rank and score of other players in the event. You can also see the rewards you will get based on your rank.
- Use the claim button to collect your rewards. You can claim your rewards by tapping on the claim button on the bottom right corner of the screen. You can claim your rewards once the event is over and you have reached a certain rank. You can get gems, coins, chests, tickets, parts, skins, outfits, hats, accessories, etc. as rewards.
