What are Some Tips and Tricks to Play Magic Tiles 3 Better?

Magic Tiles 3 is a fun and addictive game, but it can also be challenging and frustrating at times. If you want to improve your skills and score higher in Magic Tiles 3, here are some tips and tricks that you can follow:

Tap, Hold, and Swipe the Tiles Accurately

The basic gameplay of Magic Tiles 3 is to tap, hold, and swipe the black tiles that appear on the screen. You have to do this accurately and quickly, as the tiles move faster as the song progresses. If you miss a tile or tap a white tile, you will lose the game.

To tap, hold, and swipe the tiles accurately, you need to pay attention to the shape and color of the tiles. Some tiles are long and require you to hold them until they disappear. Some tiles are connected and require you to swipe them in a certain direction. Some tiles are red and require you to tap them twice. Some tiles are blue and require you to tap them at the same time.

You also need to practice your hand-eye coordination and reflexes. You can do this by playing different songs with different speeds and difficulties. You can also use the practice mode to replay a specific part of a song until you master it.

Avoid the White Tiles and Follow the Rhythm

Another important tip to play Magic Tiles 3 better is to avoid the white tiles and follow the rhythm of the song. The white tiles are traps that will end your game if you touch them. You have to avoid them at all costs and focus on the black tiles.

You also have to follow the rhythm of the song, as the tiles are synchronized with the music. You have to tap, hold, and swipe the tiles in sync with the beat and melody of the song. If you do this correctly, you will get more points and bonuses.

You can use your ears and eyes to follow the rhythm of the song. You can listen to the music and feel the tempo and flow of the song. You can also look at the visual cues on the screen, such as the moving bars and arrows that indicate when and where to tap, hold, or swipe.

Choose the Songs that Suit Your Skill Level

Another useful tip to play Magic Tiles 3 better is to choose the songs that suit your skill level. Magic Tiles 3 has a huge library of songs from different genres and artists. You can choose from pop, rap, EDM, jazz, classical, rock, country, and more.

However, not all songs are created equal. Some songs are easier than others, depending on their speed, difficulty, length, and complexity. You have to choose the songs that match your skill level and preference. If you are a beginner, you can start with slow and simple songs that have fewer tiles and less variation. If you are an expert, you can try fast and complex songs that have more tiles and more variation.

You can also use the star rating system to help you choose the songs that suit your skill level. The star rating system shows how hard or easy a song is based on its speed, difficulty, length, and complexity. The more stars a song has, the harder it is.

Use Headphones for Better Sound Quality

Another helpful tip to play Magic Tiles 3 better is to use headphones for better sound quality. Magic Tiles 3 is a music game that relies on sound as much as sight. You have to listen to playlist” on the bottom right corner.

1. Enter a name for your playlist and select “ok”.
2. Select “add songs” on the bottom right corner.
3. Select the songs that you want to add to your playlist and select “done”.
4. Enjoy playing your playlist in Magic Tiles 3.

How can I challenge other players in Magic Tiles 3?

Magic Tiles 3 allows you to challenge other players or your friends in online match mode. To do this, you need to follow these steps:

1. Go to “online match” on the main menu.
2. Select “create room” or “join room” on the bottom left corner.
3. If you create a room, you can choose the song, the difficulty, and the number of players. You can also invite your friends or enemies into your room by sharing the room code.
4. If you join a room, you can enter the room code or choose from the available rooms.
5. Wait for the other players to join and then start the game.
6. Compete with other players and try to get the highest score.

How can I get more gems in Magic Tiles 3?

Gems are one of the currencies in Magic Tiles 3 that you can use to buy new songs, revive when you fail a level, or unlock more game modes. You can get more gems in Magic Tiles 3 by doing these things:

- Play more songs and complete more levels. You will get gems as rewards for your performance.
