# Payback 2: The Ultimate Sandbox Game for Action Lovers

Do you love action-packed games that let you unleash your creativity and imagination? Do you enjoy playing different modes and scenarios that challenge your skills and reflexes? Do you want to experience the thrill of sandbox gaming on your mobile device or PC? If you answered yes to any of these questions, then you should definitely check out **Payback 2**, the sequel to the hit GTA-style game from the early days of the App Store.

**Payback 2** is a sandbox game that offers exciting event-based gameplay that is all action, all the time. You can choose from a variety of game modes, such as street brawls, rocket car races, tank duels, helicopter battles, and more. You can also customize your own events with different settings and options, such as cities, weapons, vehicles, and rules. You can play solo or online with your friends or millions of other players around the world. You can also compete in hourly, daily, and weekly challenges to see how you rank among the best players.

In this article, we will tell you everything you need to know about **Payback 2**, including its features, how to play it, where to download it, and some frequently asked questions. By the end of this article, you will be ready to download and play this amazing game on your device.

## Features of Payback 2

**Payback 2** has many features that make it one of the most fun and addictive games on the market. Here are some of them:

### Varied campaign

The game has a campaign mode that consists of 50 events that feature different game modes and challenges. You can play everything from massive gang battles to rocket car races to epic tank duels. Each event has its own objectives, rewards, and difficulty levels. You can also replay any event you want to improve your score or try a different strategy.

### Online multiplayer

The game also has an online multiplayer mode that lets you battle with your friends or over a million other players online. You can join or create rooms with different game modes, such as capture the flag, king of the hill, deathmatch, and more. You can also chat with other players in the lobby or during the match. You can also check your stats and rankings on the leaderboard and see how you compare with other players.

### Custom mode

The game also has a custom mode that lets you create your own events with any combination of the game's seven cities, nine game modes, varied weaponry, and dozens of vehicles. You can adjust various settings and options, such as time limit, score limit, weather, traffic, cops, teams, and more. You can also save your custom events and share them with other players.

# How to Play Payback 2

**Payback 2** is easy to play and has intuitive controls that let you move, shoot, drive, and interact with the environment. Here are some of them:

## Controls

The game has two control schemes that you can choose from: touch or tilt. You can also customize the sensitivity and layout of the buttons. Here are the basic controls for each scheme:

### Touch

Use the virtual joystick on the left to move your character.

Tap the fire button on the right to shoot your weapon.

Tap the jump button on the right to jump or climb over obstacles.

Tap the action button on the right to enter or exit a vehicle, pick up a weapon, or interact with an object.

Swipe the screen to look around or aim your weapon.

Use the virtual steering wheel on the left to steer your vehicle.

Use the pedals on the right to accelerate or brake your vehicle.

Tap the horn button on the right to honk your horn or activate a special feature of your vehicle.

### Tilt

Tilt your device to move your character.

Tap the jump button on the right to jump or climb over obstacles.

Tap the action button on the right to enter or exit a vehicle, pick up a weapon, or interact with an object.

Swipe the screen to look around or aim your weapon.

Tilt your device to steer your vehicle.

Use the pedals on the right to accelerate or brake your vehicle.

Tap the horn button on the right to honk your horn or activate a special feature of your vehicle.

## Tips and tricks

**Payback 2** is a game that requires skill and strategy to master. Here are some tips and tricks that will help you win more matches and have more fun:

- Explore the city and find hidden weapons, vehicles, and power-ups that can give you an edge over your enemies.
- Use cover and stealth to avoid being detected by enemies or cops. You can also use disguises, such as police uniforms, to blend in with the crowd.
- Use different weapons and vehicles for different situations. For example, use a sniper rifle for long-range shots, a rocket launcher for destroying vehicles, or a helicopter for aerial attacks.
- Use teamwork and communication when playing online with your friends or other players. You can also use gestures and emotes to express yourself or taunt your opponents.
- Complete challenges and achievements to earn coins and XP that you can use to unlock more weapons, vehicles, and customizations for your character.
- Have fun and experiment with different game modes, settings, and options. You can also watch replays of your matches or other players' matches to learn from their mistakes or successes.
