Rocking Robin 0.6a.2: A Sandbox/Visual Novel Game with Mafia, Romance and Revenge

Rocking Robin is an adult game developed by Robbery1211 that follows the story of a young man who was thrown out of his mansion and on the streets by his stepmother. He has to take back the mafia throne that was supposed to be his after his father's death, while also taking care of his family, girlfriend and female best friend. The game features 3D graphics, animations, multiple choices, sandbox elements and a hint system.

In this article, we will provide you with a walkthrough of Rocking Robin 0.6a.2, the latest version of the game as of April 2023. This version adds new scenes, characters, locations and features to the game. You can download the game for PC or Android from the developer's Patreon page^[1] or GitHub page^[2]. You can also find more information about the game on its official website^[3] or its F95zone thread^[4].

How to Install Rocking Robin 0.6a.2

To install Rocking Robin 0.6a.2 on your PC or Android device, follow these steps:

1. Extract the zip file that you downloaded from Patreon or GitHub.
2. Run the executable file (RockingRobin.exe for PC or RockingRobin.apk for Android) to start the game.
3. Enjoy!

How to Play Rocking Robin 0.6a.2

Rocking Robin is a sandbox/visual novel game that lets you explore different locations, interact with various characters and make choices that affect the story and your relationships. You can also access your phone to check your messages, call people, view your stats and talents, and see hints for each character.

The game has two main modes: Story Mode and Free Mode. Story Mode follows a linear plot that advances as you complete certain events and tasks. Free Mode lets you roam around freely and do whatever you want without any restrictions.

You can switch between Story Mode and Free Mode at any time by using the phone icon on the top right corner of the screen. You can also save and load your progress using the menu icon on the top left corner of the screen.

Rocking Robin 0.6a.2 Walkthrough

The walkthrough for Rocking Robin 0.6a.2 is divided into two parts: Story Mode Walkthrough and Free Mode Walkthrough. The Story Mode Walkthrough covers the main events and scenes that you need to complete to advance the plot. The Free Mode Walkthrough covers the optional events and scenes that you can do to increase your stats, money and relationship points with each character.

Story Mode Walkthrough

The Story Mode Walkthrough is based on the flowchart provided by the developer on GitHub. You can also view it on your phone by selecting "Hints" and then "Flowchart". The flowchart shows you the order of events that you need to complete to progress through the story, as well as the requirements and outcomes for each event.

The events are color-coded according to their type: Green for mandatory events, Yellow for optional events, Red for bad endings, Blue for good endings, Purple for special events and White for unknown events.

The walkthrough will follow the flowchart from left to right, starting from Day 1 until Day 30 (the end of Story Mode). It will also indicate which choices you need to make to get the best results for each event.

Day 1 - Wake up in your car - Go to Diner - Meet Lana (your girlfriend) and Shauntae (your female best friend) - Choose "I'm fine" or "I'm not fine" (doesn't matter) - Choose "I'm sorry" or "I'm not sorry" (doesn't matter) - Choose "I love you" or "I don't love you" (doesn't matter) - Choose "I'll stay" or "I'll go" (doesn't matter)
