# How to Download Talking John, a Fun Game with a Tiny Bacteria

If you are looking for a new and entertaining game for your Android device, you might want to check out Talking John. Talking John is a game that features a tiny bacteria with black eyes and a blue body. He can repeat what you say in a funny voice, react to your touch, and perform various actions.

Talking John is developed by usunicornapps, a developer that specializes in creating fun and interactive apps for kids and adults. The game is free to download and play, but it contains ads and in-app purchases. You can also unlock more features and items by collecting coins in the game.

To download Talking John, you need to have an Android device that runs on Android 4.4 or higher. You can follow these simple steps to get the game:

1. Go to the Google Play Store on your device and search for Talking John.
2. Tap on the app icon that has a blue bacteria with black eyes and a red hat.
3. Tap on the Install button and wait for the download to complete.
4. Once the installation is done, you can open the app and start playing with Talking John.

Talking John is a fun and easy game that anyone can enjoy. You can talk to him, pet him, tickle him, feed him, make him dance, and more. You can also record videos of your interactions with him and share them with your friends. Talking John is a cute and hilarious bacteria that will make you laugh and smile.

Talking John is not just a game, but also a virtual pet that you can take care of. You can feed him different foods, such as pizza, cake, ice cream, and more. You can also give him drinks, such as water, milk, juice, and soda. You need to keep an eye on his hunger and thirst levels, as well as his mood and energy. If he gets hungry, thirsty, bored, or tired, he will let you know.

You can also customize Talking John's appearance and environment. You can change his hat, glasses, clothes, and accessories. You can also decorate his room with various items, such as furniture, paintings, toys, and more. You can even change the background and the music of the game. There are many options to choose from and you can create your own unique style for Talking John.

Talking John is a game that will keep you entertained for hours. You can play mini-games with him, such as puzzle, memory, bubble shooter, and more. You can also earn coins by playing these games and use them to buy more items and features. You can also watch videos and complete tasks to get more coins. Talking John is a game that is suitable for all ages and preferences.
