# Traffic Rider Mod APK 1.70: A Thrilling Motorcycle Racing Game

If you are a fan of motorcycle racing games, you might have heard of Traffic Rider. It is one of the most popular and realistic racing games on Android devices. In this game, you can ride your bike through endless highway traffic, overtake other vehicles, and complete various missions. You can also choose from a wide range of motorcycles, customize them, and upgrade their performance. But what if you want to enjoy the game without any limitations or restrictions? That's where Traffic Rider Mod APK 1.70 comes in handy.

## What is Traffic Rider?

Traffic Rider is a first-person motorcycle racing game developed by Soner Kara. It was released in 2016 and has been downloaded over 100 million times on Google Play Store. The game has received positive reviews from critics and players alike, who praised its realistic graphics, sounds, and gameplay.

## Features of Traffic Rider

### Realistic graphics and sounds

The game features stunning 3D graphics that make you feel like you are riding a real bike. You can see the details of the environment, the traffic, and the weather conditions. The game also has realistic sound effects that match the speed and engine of your bike. You can hear the roar of your motorcycle, the horn of other vehicles, and the wind in your ears.

### Multiple game modes and missions

The game offers four different game modes to suit your preferences and skills. You can play the Career mode, where you have to complete over 70 missions with different objectives and challenges. You can also play the Endless mode, where you have to ride as long as possible without crashing or running out of time. You can also try the Time Trial mode, where you have to reach checkpoints within a given time limit. Or you can play the Free Ride mode, where you can ride freely without any rules or goals.

### Variety of motorcycles and customization options

The game features 29 different motorcycles that you can unlock and ride. Each motorcycle has its own characteristics, such as speed, acceleration, handling, and braking. You can also customize your bike with various colors, wheels, stickers, and exhausts. You can also upgrade your bike's engine, brakes, wheels, and suspension to improve its performance.

### Online leaderboards and achievements

The game has online leaderboards where you can compare your scores and rankings with other players around the world. You can also earn achievements by completing certain tasks and challenges in the game. You can also share your progress and achievements with your friends on social media.
