And if you want to have more fun and freedom in the game, you should download House Designer Fix & Flip MOD APK, which gives you unlimited money and no ads. In this article, we will tell you everything you need to know about this amazing game and how to get the modded version for free.

### What is House Designer Fix & Flip?

#### A simulation game for interior design lovers

House Designer Fix & Flip is a simulation game developed by Karate Goose Studio, a company that specializes in creating realistic and immersive games for mobile devices. In this game, you can unleash your creativity and imagination as you transform old and shabby houses into beautiful and cozy homes. You can choose from different houses and styles, use various tools and items to renovate and decorate them, sell them for profit, and learn tips and tricks from real experts in the field. Whether you want to create a modern loft, a rustic cabin, or a classic mansion, you can do it all in House Designer Fix & Flip.

#### Features of House Designer Fix & Flip

##### Choose from different houses and styles

One of the best things about House Designer Fix & Flip is that it offers a wide range of houses and styles to choose from. You can find houses in different locations, sizes, shapes, and conditions. You can also choose from different styles, such as minimalist, industrial, vintage, bohemian, or Scandinavian. You can mix and match different elements to create your own unique style.

## **Renovate and decorate with various tools and items**

To renovate and decorate your houses, you will need to use various tools and items that are available in the game. You can use hammers, drills, saws, paint rollers, brushes, tiles, wallpapers, carpets, furniture, lamps, plants, paintings, and more. You can also customize the color, size, shape, and position of each item. You can change the layout of the rooms, add or remove walls, doors, windows, stairs, etc. You can also clean up the mess, fix the damages, replace the broken parts, etc.

## **Sell your houses and earn money**

After you finish renovating and decorating your houses, you can sell them for profit. You can set your own price and negotiate with the buyers. You can also see how much they like or dislike your work by their reactions and comments. The more attractive and comfortable your houses are, the more money you can earn. You can use the money to buy new houses or upgrade your tools and items.

## **Learn tips and tricks from real experts**

Another cool feature of House Designer Fix & Flip is that it teaches you some tips and tricks from real experts in interior design. You can learn about the principles of design, such as balance, harmony, contrast, rhythm, proportion, etc. You can also learn about the effects of colors, textures, patterns, lighting, etc. on the mood and atmosphere of the rooms. You can also get some inspiration from the examples of other players and designers in the game. You can also share your own work and get feedback from others.

# **Why download House Designer Fix & Flip MOD APK?**
