Pou APK Android 4.0 is a game where you have to take care of a cute alien creature named Pou. You have to feed it, clean it, play with it, and watch it grow up while leveling up and unlocking different items for it. You can also experiment with potions at the lab, visit and play with your friends' Pous, and talk to Pou and listen back.

Pou APK Android 4.0 is a fun and addictive game that will keep you entertained for hours. It is suitable for all ages and has millions of fans around the world. If you want to join them and experience the joy of having a virtual pet, then you should download Pou APK Android 4.0 today.

In this article, we will show you how to download and install Pou APK Android 4.0 from a reliable source, how to play the game and use its features, some tips and tricks for getting the most out of it, some reviews from other users, and some FAQs that might help you along the way.

### How to Download and Install Pou APK Android 4.0

If you want to play Pou APK Android 4.0 on your device, you need to download and install it first. Here are the steps to do that:

1. Go to a reliable source that offers Pou APK Android 4.0 for download, such as [APKPure](#) or [Uptodown](#). You can also use the search engine of your choice and type in "Pou APK Android 4.0 download".
2. Choose the version of Pou APK Android 4.0 that is compatible with your device and click on the download button. The file size is about 24 MB, so make sure you have enough space on your device.
3. Once the download is complete, locate the file on your device and tap on it to start the installation process. You might need to enable the installation of apps from unknown sources in your device settings.
4. Follow the instructions on the screen and wait for the installation to finish. You might need to

grant some permissions to the app, such as access to your storage, camera, microphone, and contacts.

5. After the installation is done, you can launch the app and start playing Pou APK Android 4.0.

Congratulations! You have successfully downloaded and installed Pou APK Android 4.0 on your device. Now you can enjoy taking care of your virtual pet and having fun with it.

## **How to Play Pou APK Android 4.0**

Pou APK Android 4.0 is a simple and easy game to play, but it also has many features and options that you can explore. Here are some of the basics of how to play Pou APK Android 4.0:

### **Feed and Take Care of Pou**

The main goal of Pou APK Android 4.0 is to take care of your virtual pet and make sure it is happy and healthy. You can do that by feeding it, cleaning it, and making it sleep.

To feed Pou, you need to go to the kitchen and choose from different types of food, such as fruits, vegetables, snacks, drinks, and more. You can drag the food to Pou's mouth or tap on it to make it eat. You can also buy more food from the shop with coins that you earn by playing games.

To clean Pou, you need to go to the bathroom and use the soap to wash away the dirt. You can also use the shower, the hair dryer, or the towel to dry Pou. You can also buy more items from the shop, such as brushes, combs, or scissors.

To make Pou sleep, you need to go to the bedroom and turn off the lights. You can also use the lamp, the clock, or the radio to help Pou fall asleep faster. You can also buy more items from the shop, such as pillows, blankets, or teddy bears.

### **Play Games with Pou**

Pou APK Android 4.0 is not only about taking care of your virtual pet, but also about having fun with it. You can play various mini-games with Pou that will test your skills and reflexes.

To play games with Pou, you need to go to the game room and choose from different types of games, such as hill drive, sky hop, water hop, jet Pou, food drop, match tap, and more. Each game has its own rules and objectives that you need to follow in order to score points and earn coins.

You can also challenge your friends or other players online and see who can get a higher score in each game. You can also unlock achievements and trophies by completing certain tasks or reaching certain milestones in each game.

### **Customize Pou's Appearance and Rooms**

Pou APK Android 4.0 is also about expressing your creativity and style by customizing your virtual pet and its rooms. You can change Pou's hair, eye color, clothing, and accessories, as well as the wallpaper of each room.

To customize Pou's appearance, you need to go to the closet and choose from different options for each category. You can also buy more items from the shop with coins that you earn by playing games.

To customize Pou's rooms, you need to go to each room and tap on the wallpaper icon at the bottom right corner of the screen. You can then choose from different options for each room. You can also buy more wallpapers from the shop with coins that you earn by playing games.

## **Features of Pou APK Android 4.0**

Pou APK Android 4.0 is a game that has many features that make it more enjoyable and interesting. Here are some of the features of Pou APK Android 4.0:

### **Level Up and Unlock Items**

As you play Pou APK Android 4.0, you will notice that your virtual pet has a level indicator at the top left corner of the screen. This shows how much experience (XP) Pou has gained by doing various activities, such as eating, playing, sleeping, and more.

As Pou gains more XP, it will level up and unlock new items for it. For example, at level 10, Pou will unlock the sunglasses, at level 20, Pou will unlock the hat, and so on. You can see the list of items that Pou can unlock by tapping on the level indicator.

Leveling up also increases Pou's maximum health, hunger, and energy levels, which means that you can take care of it better and longer.

### **Experiment with Potions at the Lab**

If you want to have some fun and see what happens to your virtual pet, you can go to the lab and use different potions on it. Potions are liquids that have various effects on Pou, such as changing its size, color, mood, or health.

To use potions on Pou, you need to go to the lab and choose from different types of potions, such as the hungry potion, the fat-burning potion, the mini potion, the rainbow potion, and more. You can drag the potion to Pou's mouth or tap on it to make it drink.

You can also buy more potions from the shop with coins that you earn by playing games. Some potions are more expensive than others, but they also have more dramatic effects on Pou.

### **Visit and Play with Your Friends' Pous**

Pou APK Android 4.0 is not only a game that you can play by yourself, but also a game that you can play with your friends and other players online. You can visit and play with your friends' Pous, as well as chat and send gifts to them.

To visit and play with your friends' Pous, you need to connect with them through Facebook or email. You can then see their Pous on your map and tap on them to visit them. You can also see their stats, such as their level, health, hunger, and energy.

When you visit your friends' Pous, you can chat with them by using the chat icon at the bottom right corner of the screen. You can also send them gifts by using the gift icon at the bottom left corner of the screen. You can send them food, potions, coins, or wallpapers.

You can also play games with your friends' Pous by using the game icon at the bottom center of the screen. You can choose from different types of games, such as soccer, four in a row, tic tac toe, and more. You can also see who has a higher score in each game.

## Tips and Tricks for Pou APK Android 4.0

Pou APK Android 4.0 is a game that is easy to play but hard to master. If you want to get better at it and have more fun with it, you might want to use some tips and tricks that will help you along the way. Here are some of the tips and tricks for Pou APK Android 4.0:

### How to Level Up Fast in Pou APK Android 4.0

If you want to level up fast in Pou APK Android 4.0 and unlock more items for your virtual pet, you might want to use a simple trick that involves using two potions: the hungry potion and the fat-burning potion.

The hungry potion is a potion that makes Pou very hungry and reduces its health by half. The fat-burning potion is a potion that makes Pou lose weight and increases its health by half.

The trick is to use the hungry potion on Pou first and then feed it a lot of food until its health is full again. This will give Pou a lot of XP for eating so much food in a short time.

Then, use the fat-burning potion on Pou and watch it lose weight and gain more XP for burning so many calories in a short time.

Repeat this process until you reach your desired level or run out of potions or food.

### How to Earn More Coins in Pou APK Android 4.0

If you want to earn more coins in Pou APK Android 4.0 and buy more items for your virtual pet, you might want to play some mini-games that give you more coins than others. Here are some of the best mini -games to play for earning more coins in Pou APK Android 4.0:

- Sky Hop: This is a game where you have to make Pou jump from one cloud to another without falling. The higher you go, the more coins you get. You can also collect stars and power-ups along the way.
- Food Drop: This is a game where you have to catch the falling food with Pou's mouth. The more food you catch, the more coins you get. You can also avoid the bad food and collect the coins and power-ups that fall.
- Match Tap: This is a game where you have to tap on the matching pairs of Pous as fast as you can. The more pairs you match, the more coins you get. You can also use the hints and power-ups to help you.

You can also earn more coins by completing daily tasks, such as feeding Pou, playing games, or visiting friends. You can see the list of daily tasks by tapping on the calendar icon at the top right corner of the screen.

### How to Save Your Progress in Pou APK Android 4.0

If you want to save your progress in Pou APK Android 4.0 and sync your data across devices, you might want to create an account with your email and password. This will allow you to backup your data online and restore it if you lose your device or switch to a new one.

To create an account in Pou APK Android 4.0, you need to go to the settings and tap on the account icon at the bottom right corner of the screen. You can then enter your email and password and confirm them. You can also choose a username and a profile picture for your account.

Once you have created an account, you can sync your data by tapping on the sync icon at the top right corner of the screen. You can also log in with your account on another device and sync your data there.

## **Reviews of Pou APK Android 4.0**

Pou APK Android 4.0 is a game that has received many reviews from users who have played it and shared their opinions on it. Here are some of the reviews of Pou APK Android 4.0:

### **Positive Reviews of Pou APK Android 4.0**

Some of the positive reviews of Pou APK Android 4.0 are:

"I love this game so much! It's so cute and fun to play with Pou and take care of it. I like how I can customize it and its rooms, and play games with it and my friends. It's like having a real pet, but better!"

"This game is awesome! It's very addictive and entertaining. I like how I can level up and unlock new items for Pou, and experiment with potions at the lab. It's also very easy to play and control, and has nice graphics and sounds."

"This game is amazing! It's very relaxing and enjoyable to play with Pou and watch it grow up. I like how I can talk to Pou and listen back, and visit other Pous online. It's also very challenging and rewarding to play the mini-games and earn coins."

### **Negative Reviews of Pou APK Android 4.0**

Some of the negative reviews of Pou APK Android 4.0 are:

"I hate this game so much! It's so boring and repetitive to play with Pou and take care of it. I don't like how I have to do the same tasks over and over again, and buy more items with real money. It's like having a real pet, but worse!"

"This game is awful! It's very annoying and frustrating to play with Pou and take care of it. I don't like how I have to deal with its hunger, health, and energy levels, and watch ads every time I play a game or visit a friend. It's also very hard to play and control, and has poor graphics and sounds."

"This game is terrible! It's very childish and silly to play with Pou and take care of it. I don't like how I have to feed it, clean it, and make it sleep, and play games that are too easy or too hard. It's also very unrealistic and weird to talk to Pou or use potions on it."

# Conclusion

Pou APK Android 4.0 is a virtual pet game that lets you take care of a cute alien creature named Pou. You have to feed it, clean it, play with it, and watch it grow up while leveling up and unlocking different items for it. You can also experiment with potions at the lab, visit and play with your friends' Pous, and talk to Pou and listen back.

Pou APK Android 4.0 is a fun and addictive game that will keep you entertained for hours. It is suitable for all ages and has millions of fans around the world. It has many features and options that you can explore, such as different types of food, games, items, potions, wallpapers, and more.

Pou APK Android 4.0 is also a game that you can customize to your liking. You can change Pou's hair, eye color, clothing, and accessories, as well as the wallpaper of each room. You can also create an account and sync your data across devices.
