You can also create or join clans, make friends, and cooperate with your teammates. You can also share your achievements and feedback on social media platforms like Facebook, Twitter, YouTube, etc.

Features of Tanktastic 3D Tanks

Stunning 3D graphics and realistic physics

Tanktastic 3D Tanks has amazing 3D graphics that will make you feel like you are in a real battlefield. The tanks are detailed and realistic, with different models, colors, shapes, and sizes. The maps are also diverse and immersive, with buildings, hills, rivers, open plains, gullies, and trees. The game also has impressive visual and sound effects that enhance the atmosphere of the game. You can see the smoke, fire, explosions, sparks, dust, etc., as well as hear the engine sounds, gunfire sounds, radio chatter, etc. The game also has realistic physics that simulate the movement, speed, weight, and damage of the tanks. You can see the tanks bounce, skid, roll, and crash as they move

on different terrains. You can also see the shells ricochet, penetrate, or explode as they hit the tanks. The game will make you feel the adrenaline rush of tank battles.

More than 150 vehicle units from WWII to modern days

Tanktastic 3D Tanks has a huge collection of tanks that you can choose from. The game features more than 150 vehicle units from different countries and eras, from WWII to modern days. You can find tanks like Tiger, Sherman, T-34, Leopard, Abrams, etc., as well as self-propelled guns, anti-aircraft vehicles, and armored personnel carriers. Each tank has its own characteristics, such as armor, firepower, speed, maneuverability, etc., that affect its performance in battle. You can also customize your tank with various camouflages, ammunition types, and equipment items that can enhance its abilities. You can create your own unique tank that suits your style and preference.

Various game modes and maps

Tanktastic 3D Tanks offers a variety of game modes and maps that will keep you entertained and challenged. You can play in online team battles with up to 16 players per team on 12 different maps. The game modes include:

- **Deathmatch:** The classic mode where you have to destroy as many enemy tanks as possible in a limited time.
- **Team Deathmatch:** The same as Deathmatch but with teams. You have to cooperate with your teammates and destroy the enemy team.
- **Capture the Flag:** A mode where you have to capture the enemy flag and bring it back to your base while defending your own flag.
- **Control Points:** A mode where you have to capture and hold strategic points on the map while preventing the enemy from doing the same.

The maps are also diverse and immersive, with different terrains, climates, and times of day. You can fight in urban areas, deserts, forests, snowfields, etc., in day or night. Each map has its own advantages and disadvantages for different tanks and strategies. You have to adapt to the environment and use it to your benefit.

Improvement and upgrading of combat equipment

Tanktastic 3D Tanks allows you to improve and upgrade your combat equipment as you progress in the game. You can earn credits and gold by completing missions, winning battles, and participating in events. You can use these currencies to buy new tanks, camouflages, ammunition types, and equipment items. You can also use them to upgrade your existing tanks by improving their armor, engine, gun, turret, etc. You can also unlock new skills and perks that can give you an edge in battle. You can make your tank more powerful and efficient by investing in its improvement and upgrading.

Online team battles and chat with other players

Tanktastic 3D Tanks is a game that is social and interactive. You can play online team battles with other players from around the world. You can join or create a clan with your friends or other players who share your interests and goals. You can also chat with other players in the game lobby or during the battles. You can communicate with your teammates using voice or text messages. You can also use emoticons and stickers to express your emotions and reactions. You can make new friends and enemies in Tanktastic 3D Tanks.

How to play Tanktastic 3D Tanks

Download and install the game

Tanktastic 3D Tanks is a game that is available for both Android and iOS devices. You can download and install the game from Google Play Store or App Store for free. The game requires an internet connection to play online battles. The game also supports offline mode where you can play with bots or practice in training mode.

Complete a training and select a tank

After you download and install the game, you can start playing by completing a training mode that will teach you the basics of the game. You will learn how to move your tank, aim your gun, fire your shells, use your equipment items, etc. You will also learn about the different types of tanks, ammunition types, camouflages, etc. After you complete the training mode, you can select a tank from your garage. You can choose from more than 150 vehicle units from different countries and eras. You can also customize your tank with various camouflages, ammunition types, and equipment items. You can also upgrade your tank by improving its armor, engine, gun, turret, etc. You can also unlock new skills and perks that can give you an edge in battle.

Fight, rise from cadet to generalissimo and become a legend

Once you select your tank, you can join online team battles with other players from around the world. You can choose from 4 game modes: Deathmatch, Team Deathmatch, Capture the Flag, and Control Points. You can also choose from 12 different maps with different terrains, climates, and times of day. You can fight in urban areas, deserts, forests, snowfields, etc., in day or night. You can communicate with your teammates using voice or text messages. You can also chat with other players in the game lobby or during the battles. You can use emoticons and stickers to express your emotions and reactions. You can also share your achievements and feedback on social media platforms like Facebook, Twitter, YouTube, etc.

As you fight, you will earn credits and gold that you can use to buy new tanks, camouflages, ammunition types, and equipment items.
