Features of Family Town: Match-3 Makeover

Match-3 puzzles with a twist

Family Town: Match-3 Makeover is not your typical match-3 puzzle game. It has some unique features that make it more fun and challenging. For example:

- You can swap any two adjacent tiles, not just those that form a match.
- You can create special tiles by matching more than three tiles of the same color or shape.
- You can use different types of boosters and power-ups to help you clear the board faster.
- You can face various obstacles and goals in each level, such as ice, crates, keys, locks, flowers, etc.
- You can earn stars by completing levels with fewer moves or higher scores.

Fashion makeover with endless possibilities

Family Town: Match-3 Makeover is also a fashion makeover game that lets you unleash your inner stylist. You can choose from hundreds of clothes and accessories to dress up the family members. You can also mix and match different items to create your own unique looks. You can customize the following aspects of each character:

- Hair style and color
- Eye color and shape
- Skin tone
- Makeup
- Clothes
