- You will get more fun and excitement in the game. This means you can experiment with different strategies, players, and modes without any limitations or restrictions.

Tips and tricks for playing the mod

Here are some tips and tricks for playing Astonishing Basketball Manager Mod:

- Use your money wisely. Even though you have unlimited money, you still need to balance your spending and saving. You don't want to overspend on players who are not worth it, or underspend on players who are valuable. You also need to save some money for emergencies, such as injuries, fines, or lawsuits.
- Use your food strategically. Even though you have unlimited food, you still need to feed your players according to their needs and preferences. You don't want to overfeed them or underfeed them, as this will affect their mood and performance. You also need to feed them different types of food, such as healthy food, junk food, or special food, depending on the situation.
- Use your gems sparingly. Even though you have unlimited gems, you still need to use them wisely. You don't want to waste them on things that are not important, or hoard them for things that are too expensive. You also need to use them at the right time, such as when you need a boost, a shortcut, or a reward.
- Use your arenas creatively. Even though you have access to all arenas, you still need to choose the best one for your team and your opponents. You don't want to play in an arena that is too big or too small, too loud or too quiet, too hot or too cold. You also need to play in an arena that suits your style, your fans, and your sponsors.
- Use your anti-ban protection carefully. Even though you have anti-ban protection, you still need to be careful not to abuse the mod or attract too much attention. You don't want to make unrealistic moves, win by unrealistic margins, or brag about your mod online. You also need to respect the game rules, the other players, and the game developers.
