If you are a fan of mystery, crime, and adventure games, you will love Murder in the Alps. This is a game that will keep you on the edge of your seat as you explore a stunning alpine hotel and solve a series of murders. But be careful, because the killer could be anyone, even someone you trust. In this article, we will tell you everything you need to know about Murder in the Alps, and how to download and install its latest mod apk version.

## What is Murder in the Alps?

Murder in the Alps is a hidden object game developed by Nordcurrent, a leading game studio based in Lithuania. The game was released in 2018 and has been downloaded over 10 million times on Google Play Store. It has also received positive reviews from players and critics alike, who praised its immersive story, realistic graphics, and engaging gameplay.

## The story and the setting

The game is set in the 1930s, in a remote hotel in the Swiss Alps. You play as Anna Myers, a journalist from Zurich who is on vacation at the hotel. However, your peaceful holiday soon turns into a nightmare when one of the guests is found dead. As more murders occur, you realize that you are trapped in a web of secrets, lies, and betrayal. You have to use your detective skills to find clues, interrogate suspects, and uncover the truth behind the killings.

## The gameplay and the features

The game is divided into six chapters, each with its own plot and characters. Each chapter consists of several scenes, where you have to find hidden objects, solve puzzles, and interact with other characters. The game also has a hint system that helps you when you are stuck. You can also use your camera to take photos of important evidence and clues.

The game has many features that make it stand out from other hidden object games. For example:

- The game has a fully interactive environment, where you can explore every corner of the hotel and its surroundings.
- The game has a realistic and atmospheric sound design, where you can hear the wind, the

rain, and even the footsteps of someone behind you.

- The game has a captivating and dynamic story, where your choices and actions affect the outcome of the game.
- The game has a variety of mini-games and puzzles that challenge your logic and creativity.
- The game has a high-quality graphics that bring to life the beauty and the horror of the alpine scenery.
